

ARound Table

News from Warwick Round Table – September 2004

Warwick Round Table is a club for men aged 18-45. We are a social, fundraising and community organisation with a focus on having fun and helping others. You don't have to live in Warwick to get involved.

Normally we meet on the 1st and 3rd Tuesdays. Members are not required to attend all meetings and events, so membership is compatible with a busy social, family and professional life.

If you would like to come along to any events, **contact Damian Ferguson** (Chairman) on 07974 309370 or **Dan Gillett** (Membership) on 07974 758195 who will be glad to provide further details. Why not bring a friend?

News:

During August we held a canoeing evening in Leamington in August. A 'highlight' was that only one of us ended up in the river. A barbeque afterwards followed by a few beers rounded off a great night.

In the next few weeks we will be working towards making the Warwick Town Bonfire and Fireworks evening at Warwick Racecourse on 6th November a success. We are responsible for building the bonfire and organising the display. Funds raised all go to help local worthy causes.

We are participating in both local Area and National Round Table events over the next 3 months. Our local Area has 19 clubs and 350 Round Tablers. Nationally the figure has passed 10,000 members and is growing. Why not get in touch via the website to find out more about this success story and how you can be part of it.

Photos below show some of our recent events – a camping weekend including a cricket match at Worcester and the canoeing evening.
